**Welcome to our first
Virtual Annual Conference!**

15 - 18 November 2021

Welcome Message from the LAWASIA President

As President of LAWASIA, it is my great honour to invite you to the LAWASIA 2021 Virtual Annual Conference, occurring online from 15-18 November 2021.

For the first time in our 55-year history, LAWASIA's flagship event will be hosted on an entirely virtual platform, broadening our ability to provide participants with an exciting programme of educational and supportive activities.

Our world has changed, and while there is no substitute for the joy we receive from meeting in person, we relish this opportunity to expand on what we have learned from conducting our successful 2020-2021 webinar program and provide an immersive event experience which is accessible to our members and friends across all jurisdictions, without the impediments of international travel.

We understand the importance of connection, interaction and engagement. LAWASIA events are renowned for bringing people together, and our first Virtual Annual Conference is no exception.

Participants will have the opportunity to meet with other lawyers from the region, expand their professional networks and make lasting and meaningful connections by interacting across various networking lounges and meeting spaces, all from their home jurisdiction. The Conference will see participants moving freely across multiple sessions, hearing from legal experts and eminent speakers from across the region on a range of current legal issues and key areas of law.

The challenges imposed by the COVID-19 pandemic have highlighted the need for a platform for cross-jurisdictional sharing of information and exchange of legal knowledge in a period of unprecedented uncertainty. The LAWASIA 2021 Virtual Annual Conference is an opportunity to share ideas, build networks and reinforce the shared professional values of advocating for the rule of law across the Asia Pacific region. I encourage you to circulate this opportunity to your friends and colleagues.

On behalf of LAWASIA and the conference organising committee, we look forward to welcoming you to the LAWASIA 2021 Virtual Annual Conference and hope that this year's conference will challenge and inspire you through insightful discussion, diverse perspectives, meaningful connection and engagement.

Chunghwan Choi,
President, LAWASIA
