As a valued LAWASIA member organisation, we are excited to introduce an exclusive opportunity for you to enhance your membership benefits while expanding our vibrant community.

LAWASIA is committed to fostering a dynamic network of legal professionals across the Asia-Pacific region. In line with this vision, we are launching a special initiative to encourage member organisations like yours to actively recruit new LAWASIA members.

WHY PARTICIPATE?

Exclusive Discounted Individual Membership Rates:

If your organisation recruits **20** or more new members **prior to 30 April 2024**, your organisation and the recruited members can enjoy discounted membership rates. With a threshold of 20 members, you unlock a 25% discount for each new member. Plus, if you recruit 20 or more members, the discount increases to a remarkable 35% for all new members!

Incentives for Both Individuals and Organisations:

New members benefit from discounted membership rates, while member organisations will enjoy a 10% discounted organisational membership fee for the next membership year, provided they successfully recruit the threshold membership numbers.

Become a LAWASIA conference speaker & benefit from discounted registration rates

The benefits extend beyond discounted membership rates. New members will be offered priority speaking opportunities at the 37th LAWASIA conference, subject to approval by the Organising Committee. Discounted registration fees for the annual conference will be offered.

Expanded Network and Collaboration Opportunities:

With each new member recruited, our community grows stronger and more diverse. Engage with fellow legal professionals from different jurisdictions, exchange insights, and collaborate on initiatives that drive positive change in our legal landscape.

Preferential registration rates for LAWASIA Conferences:
